

# TAURUS UFO LED

**Product Code**

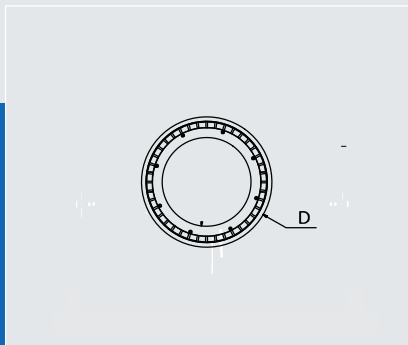

TAURUS UFO LED 100W

**Color**

Gray-black

**General Specifications**

Product type : Highbay  
 Mounting type : Suspended  
 Description : Taurus LED II Highbay luminaire is designed to provides the best of both efficiency and high quality light, suitable for high ceiling facilities from 8m to 12m height, production facilities, warehouses and commercial areas.  
 Category : Industrial  
 Applications : Warehouses, industrial facilities and commercial areas.

**Lighting Specifications**

Wattage : 100 w  
 lumen :  $\geq 12500$  lm  
 Efficacy :  $\geq 125$  lm/w  
 Power Factor :  $> 0.95$   
 CRI :  $\geq 80$   
 Color temperature : 3000 k : 6500 k  
 Rated lifetime k : 50,000 hrs.

**Physical Specifications**

Body : Heavy duty die cast aluminum housing  
 Finishes : Electrostatic painting for outdoor  
 Diffuser : Tempered glass  
 Thermal Dissipation : Passive

**Electrical Specifications**

Driver : Included  
 Driver mounting : Separated or gear box  
 Voltage : 85-305 VAC / 90-305 VAC  
 Frequency : 50 Hz

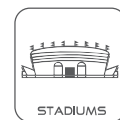

**Dimensions**

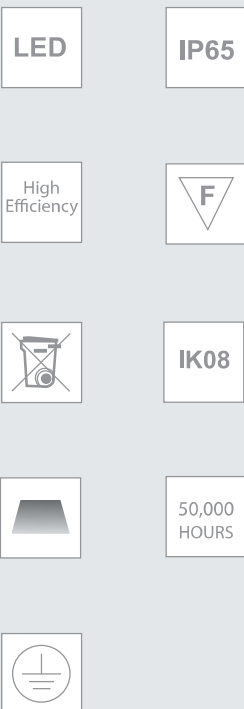

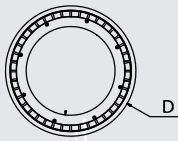

Diameter : 385 mm

**Optical Specifications**

Aiming : Fixed  
 Light distribution : Symmetric  
 Light emission : Direct

**Applications**

### Product Code

TAURUS UFO LED 150W
