

HYDRAULIC CRIMPING TOOL, 130kN, WITH LARGER OPENING C-HEAD, FOR ELECTRICAL CONNECTORS UP TO 400 MM2

Features

TECHNICAL INFORMATION

Nominal crimping force	130 kN
Pressure control system	max pressure valve
Crimping geometry	hexagonal; oval; indent; radial
Depressurizing	manual
Head shape	C long shape
Power supply	Manual labor

LOGISTIC

Unit in minimal packaging	1 PCE
Unit in standard packaging	1 PCE

COMPATIBILITY

Supply configuration	VAL-M/X2 plastic case
----------------------	-----------------------

WEIGHT AND DIMENSIONS

Net weight in operation	7 kg
Dimensions	538x144x75 mm
Maximum dimensions	538x343.5x75 mm

CLASSIFICATION AND DATA ORDERING

Customs code	84678900
